SOUND SYSTEM

Professional sound system appropriate for the crowd capacity and layout of the venue (Adamson, D&B, L-Acoustics, Nexo).

Subs (essential to our set up) need to be adapted to your sound system.

FOH

Console X32 provided by POPTIME with Stagebox and cable RJ (except if the band travels by air).

PLEASE PROVIDE AN OUTDOOR CABLE PROTECTOR FROM THE SOUND DESK TO THE STAGE.

MONITORS

No need for wedges on stage, all musicians are equipped with ear monitoring systems.

ADDITIONAL NOTES

The FOH console must be in front of stage.
Please avoid subs above or under the stage.
